The Outdoor Dream Foundation is a 100% volunteer driven 501C3 based in Anderson, South Carolina with the purpose of granting world class hunting and fishing adventures to children who have been diagnosed with terminal or life-threatening illnesses. Since the spring of 2004 ODF has provided outdoor adventures for over 600 of these special children from across the United States, and currently has a special relationship with all three Pediatric Oncology Centers located in South Carolina. The foundation's success has depended on the help of NFL Hall of Fame Member Larry Csonka, bass fishing legend Hank Parker, former Atlanta Brave Sid Bream, outdoor television show host Mike Hanback, Outfittersrating.com President Doug Hamric, and Coach Harold Jones.
